Office Paper Solutions

Eco-Logical

75

The ecological choice - Uses 100% natural resources whilst guaranteeing a premium quality performance.

Give a tree your name - The opportunity to give your name to a tree that will grow every year in our forest nurseries.

100% Satisfaction - High quality, cost efficient, office paper backed by a Product Replacement Guarantee.

Universal

80

Increased productivity - 99,99% paper jam free. A roll cost in paper weight equals to a lower cost per printed document.

Improved surface - Provides excellent printing results, while reducing toner consumption.

Silky touch - extra smooth surface. Lower abrasiveness improves the lifetime of office equipment.

Multifunctional - 100% guaranteed for all printers, copiers and any document.

Organizer

80

Unmatched performance - 99,99% paper jam free. Increases office printing productivity.

Versatile - Pre-punched available in 2-holes, 4-holes and Swedish-punched.

For easy organisation of all files - Feed your office equipment and file your documents without any hassle.

Expression

90

Bright white paper - Excellent print contrast, for superior print for high quality colour documents.

Extra smooth - Micro porous surface for fast ink drying and accurate absorption of high definition images.

Extra thick and opaque - Prevents print show through and sheet waviness, while providing accurate character definition.

Presentation

100

Superior thickness and smooth surface - Leads to a sensation of superior quality, ideal to add value to your communication.

Double sided use - Duplex printing and intensive usage of colour guaranteed without print show through.

Multifunctional - Guaranteed for all colour inkjet and laser printers and colour copiers.

Colour Documents

120

The best image definition - For all your high resolution, full colour documents.

Makes the most of colour - Impressive results with excellent print contrast, vivid colours and sharp images.

Increased stiffness and thickness - For double sided printing without show through, even in full colour applications.

Office Card

160

Excellence in digital colour printing - Perfect to ensure image quality with high contrast and definition.

Impressive colour documents - 100% attention guaranteed, with rich colours and vivid images.

Guaranteed use in all office equipment, for high quality, speciality applications.

80

Hybrid formula - A special blend of 30% high quality recycled fibres and new fibres that provides superior performance and printing results.

Energy efficient - More than 80% of the energy used to produce Navigator Hybrid comes from renewable resources.

Longer life for office equipment - Less dusting and fewer jams for reduced machine downtime.
